This Month's Featured Manufacturer:

MILWAUKEE VALVE

Get your orders in now! Milwaukee Valve's prices go up effective 2/1/17.

Milwaukee Valve

Gate, Globe, & Checks | Butterfly Valves | Ball Valves | Lead-Free | Specialty

About Milwaukee Valve

MILWAUKEE VALVE manufactures a complete line of multi-turn gate, globe, and check valves. Electrically actuated gate valves are available in cast steel or cast iron for your automated valve needs. Butterfly valves are offered for all applications and are easily automated with pneumatic or electric actuators. Milwaukee Valve's full line

of ball valves come in a variety of body materials including UltraPure Low Lead bronze and brass, standard bronze, brass, stainless steel, carbon steel, Monel, & alloy 20.

Established in 1901, the company excels in quality and service from concept through engineering, manufacturing, and installation and service. Milwaukee Valve's commitment to be the best, most responsive valve supplier in the plumbing and heating industries, started over a century ago. Today, the company is recognized as the industry innovator through investments in training, state-of-the-art equipment, new facilities, and new products.

Milwaukee Valve valves and actuated controls meet all process-automation needs. The company manufactures more than 5,000 manual and actuated valves that meet the exacting demands and rugged service conditions of industries such as:

- | | | | |
|-------------------------|-------------------------|-----------------------------------|-----------------------|
