November 2019

**This Month's Featured Manufacturer**

**TRERICE: Temperature. Pressure. Control.**  
 The Standard of Quality and Dependability.

H. O. Trerice provides the highest quality temperature and pressure instrumentation and controls available to the industry. *Did you know* that in addition to regulators, control valves and actuators, the complete line of Trerice products include pressure gauges, temperature instrumentation, and commercial plumbing products?

Gauges include process, industrial, specialty, utility, and commercial & contractor gauges as well as options & accessories and diaphragm seals. And, Trerice was one of the first manufacturers to provide lead-free pressure gauges across the product line. Trerice gauges meet the highest standards of the Safe Drinking Water Act.

M&M Control is proud to represent Trerice Products! Browse our [Trerice](#) pages for additional product selection and category information.
