## Reminder: Price Increases are Likely Coming for 2020 Are You Prepared for the New Year?

Many of our suppliers review its pricing at the end of its fiscal year, and January 1, 2020 marks the beginning of a quarter during which prices may be increased. In addition, tariffs are affecting several of our manufacturers causing greater increases than we traditionally see. Now is a great time to review your requirements for stock and replacements and get your orders in prior to price adjustments.

M&M Control represents the finest names in the industry! Browse our [Website](#) for additional product selection and category information.
