"It Just Works"

TRERICE: Temperature. Pressure. Control.

The Standard of Excellence

Trerice products satisfy the demands of today's industrial and commercial temperature, pressure, and control applications, and are the standard for quality and dependability in the industry. Product includes pressure gauges, temperature instrumentation, and regulators and control valves.

New product includes the SG Series [Sprinkler Gauge](#) that Trerice designed specifically for the rigorous pressure measurement needs of the fire protection industry.

Available with 450 and 750 Series process gauges, 500X and 700 Series industrial gauges, and adjustable angle & rear connect bimetal thermometers, Trerice's fluorescent yellow [Ultra-Brite](#) dial faces are easy to read from a distance, ideal for low light areas, and aid in quick identification of different process lines.

The Measure of Success and Control.
