KUNKLE VALVE

August 2022 Featured Manufacturer

Kunkle Valve is a leading supplier of safety and relief valves for industrial and commercial applications, such as steam boilers, air, liquids, cryogenics, or non-hazardous gases. Available with certification to ASME Section I, IV, VIII, and Section XIII, Kunkle Valve also offers a range of other products.

Not just any valve will do . . . ask for Kunkle Valve!

Kunkle Valve products vary in size from 1/4" NPT through 6" flange and are suitable for services ranging from cryogenic to 850° F., at pressures ranging from vacuum to 7,500 psig. M&M Control offers a full line of Kunkle Valve products. For help with your application, please call us at **1-800-876-0036**.
