The [Partlow West Corporation](#) is a leading manufacturer of quality controls, controllers, and recorders dedicated to product quality through ISO certification and customer commitment. Their innovative products continue to be used in many industries including dairy, transportation, metal, chemical and many more. Partlow specializes in a range of 1/4 DIN temperature controllers and also provides a comprehensive selection of line chart, point chart, circular chart and paperless recorders.

M&M Control Service carries *all* Partlow products, not just electronic products. Products in stock include: Circular Chart Recorders, Pens, Paper, Controls, Gas Valves and parts. Buy from an *authorized service provider and distributor* only. We will meet or beat any written price.
