*M & M Control Service, Inc. is a leading distributor of pneumatic, electronic, and self-contained valves, controls, and process control equipment. Our commitment to quality products and exceptional customer service is renowned in the industry. Our sales engineers are factory trained to provide you with sizing, application, installation, or repair assistance.*

## COVID-19 Awareness: M&M is Prepared!

As we follow the impact of coronavirus (COVID-19), M&M Control will continue to respond to the recommendations of Federal and State Health Advisors. Following is M&M's Pandemic Response Plan to ensure business partners are informed.

### Preserve, Protect, and Provide

- Our top priority is preserving the health and safety of our employees and business partners.
  - Personnel able to work remotely from home are doing so.
  - In-house personnel are following stringent hygiene and safety guidelines, including social distancing, frequent hand washing, and regular cleaning and disinfection of our facilities and equipment.
  - Meetings and communications are conducted electronically.
- We are dedicated to preserving and protecting the integrity of our business operations.
  - M&M has **increased inventories** of many common items.
  - Many of our **vendors are continuing operations** although deliveries may be extended.
  - M&M's regular business hours are maintained.
- As always, we will continue to provide you with exceptional customer service, pricing, delivery, and industry knowledge that our customers have come to expect.
