TRETRICE: Temperature. Pressure. Control.

Trerice: "It Just Works"

Excellence is Not Accidental

H.O. Trerice provides the highest quality temperature and pressure instrumentation and controls available to the industry. In addition to regulators, control valves and actuators, Trerice produces temperature instrumentation, pressure gauges, commercial plumbing products, and pressure transmitters.

Trerice gauges include process, industrial, specialty, utility, and commercial & contractor gauges as well as accessories. The 875 Series is designed for severe service applications. The one-piece forged brass case and socket withstands the harshest industrial applications.

The Standard of Quality and Dependability.
