August 2017

**M&M Distributes the Finest Names in the Industry!** M&M Control Service, Inc. is a leading distributor of pneumatic, electronic, and self-contained valves, controls, and process control equipment. Our commitment to quality products and exceptional customer service is renowned in the industry.

**Our Featured Manufacturer for this Month is [Partlow](#)**

The Partlow West Corporation is a leading manufacturer of quality controls, controllers, and recorders. Partlow Electronic Products specializes in a range of DIN temperature and process controllers which offer PID control. The range also includes a number of limit controllers.

M&M Control carries ALL Partlow products, not just electronic devices. A comprehensive selection of product in stock includes: Line chart, point chart, circular chart, and paperless recorders, controls, pens, paper, gas valves, and parts.

Contact our sales professionals today or visit [www.mmcontrol.com](http://www.mmcontrol.com) to see our other fine lines as well. Thank you! All of us at M&M look forward to hearing from you.

Sincerely,  
*Paul Fionda*  
VP Operations
