January 2022 Featured Manufacturers

The Marsh Bellofram Group of Companies is a leading global manufacturer of high performance OEM, industrial, and process control instrumentation.

Performance. Strength. Power. Reliability.

Marsh Instruments

The **Marsh Instruments** division of the Marsh Bellofram Group of Companies has designed and manufactured the highest quality pressure gauges and thermometers for more than 150 years. Marsh pressure gauges are used in countless applications where accuracy, dependability, and durability are essential. Marsh provides a highly rugged precision instrument, adaptable to wherever pressure or temperature measurements are required.

Bellofram Precision Controls

Bellofram Precision Controls designs and manufactures products that excel in environments where high performance, long service life, and accuracy are critical. Air and gas pressure regulators offer precision control, high accuracy, and maximum stability even under rigorous conditions. Pneumatic relays offer cost-effective, high performance air regulation across a variety of applications.
