## Water Tempering at Its Best

**POWERS** produces the finest watering tempering equipment from powerful lead-free multi-valve master mixers commonly used in educational, commercial, and institutional health care facilities, to process grade valves and actuators. POWERS holds patents on technologies that serve as the backbone for many products serving the commercial and industrial temperature control markets.

### The Finest Hookups and the Most Satisfying Results

### POWERS: The Best Products Produce the Best Results

Check out the [Flowrite II Heavy Duty Bronze Globe Control Valve](#) with a rugged design that is perfect for your steam/water modulation, mixing or bypass applications. Invest in our most popular model, the [Powers #11 Regulator](#), that includes interchangeable sensing and control components for minimum downtime and greater flexibility. Catch the Next Wave in Master Tempering Valve Technology with [HydroGuard XP Lead Free Master Mixers](#). Maintain excellence for your application with [Accritem](#) temperature control.

M&M offers a full line of [POWERS](#) items. Call [M&M Control](#) for help with your application.
