TRERICE: Temperature. Pressure. Control.

800-876-0036

How to Gauge the Success of Your Business . . .

H. O. Trerice provides the highest quality Industrial Valves and Controls and Temperature and Pressure Instrumentation available to the industry. and are the standard for quality and dependability in the industry.

Trerice Self-Operating Temperature Regulators are the preferred choice of original equipment manufacturers, mechanical contractors, and specifying engineers.

Gauges include process, industrial, specialty, utility, commercial gauges, and accessories. The SG Series Sprinkler Gauge was designed specifically for the rigorous pressure measurement needs of the fire protection industry.

The Next Generation SX9 Compact Digital Therm is the ideal replacement for mercury-in-glass thermometers in environmentally conscious applications. The Light-Powered Digital Thermometer SX9 requires no external power and operates on only 10 lux of illumination from any light source.
