

# Test Gauges

## For Gas or Water Service

UTILITY GAUGES

Gas Test Gauge

Water Test Gauge

- ▶ **Gas Test: 2" Dial**
- ▶ **Water Test: 2 1/2" Dial**
- ▶ **Gas Test: 3/4 NPT Female**
- ▶ **Water Test: 3/4 NPT Hose Bib**

Terice **Gas** and **Water Test Gauges** are integral tools for passing building inspections. Once the system has been pressurized, any leaks are visible as a pressure drop on the dial of the Gas Test Gauge. The Water Test Gauge has a 3/4 NPT hose bib connection mounted at 12 o'clock for easy viewing and accurately measures in-line water pressure. A maximum register pointer is available on either gauge having a dial range of 60 psi or greater.

### Specifications

#### Models

|            |                  |
|------------|------------------|
| <b>120</b> | Gas Test Gauge   |
| <b>122</b> | Water Test Gauge |

|                   |  |
|-------------------|--|
| <b>Dial Sizes</b> | Gas Test: 2" (50mm)<br>Water Test: 2 1/2" (63mm) |
|-------------------|--|

#### Wetted Parts

Bronze tube, lead-free (PBF) brass socket
